

**ADULT FORUM
DISCUSSION QUESTIONS**

THE DESERT IS A TIME OF BLESSING

Taught by Marsha Dutton

- What are the things that constitute the desert for you?
- How are both your weaknesses and gifts contributing to your community? How does your community help you to understand both your weaknesses and your gifts?
- Are we still looking towards a promised land? If so, what is it like? If not, why not? Does Aelred's explanation of our carrying the tabernacle make sense to us?
